*Extra Charges applicable

1. For achieving desired outcome, NEEV recommends maximum 30 participants per session.
2. One class is equivalent to one period followed in school.
3. For desired impact, the above classes should be built within the school timetable and conducted in a sustained manner with proper follow-through, and assessments.
4. Students will be encouraged to put up one production every year at the school's auditorium.
5. Students will be guided and helped to participate at inter-school competitions.
6. The above topics can be further customized.
